Congratulations! Keep up the good work on making sure your child is in the proper uniform. The uniform policy is in the SimondsSays. A copy was given at Back to School Night.

Please remember to check your child's homework planner. Upcoming tests will be posted by your child for a test date.

Please don't forget to join PTA and The Simonds Foundation. All donations help sponsor programs like: Art Vista, Cornerstone, Funds for the Classroom, Computers, and music classes. Without your generous donations, these programs could disappear. The class with the most PTA members earns a popcorn party, and winner class will receive \$ for classroom purchases
